RESPUESTA:

En relación con las preguntas de referencia, cabe diferenciar las deudas del Estado con municipios de la Comunidad Valenciana y la de estos con el Estado.

DEUDAS DEL ESTADO CON MUNICIPIOS DE LA COMUNIDAD VALENCIANA

Respecto a los créditos gestionados por el Ministerio de Hacienda, que en lo relativo a las Entidades Locales, se diferencian entre la participación en tributos del Estado, subvenciones para el transporte público y compensaciones por pérdida de recaudación en tributos locales, se informa lo siguiente:

En cuanto a la participación en tributos del Estado, desde enero de 2006 se publica toda la información de las entregas a cuenta, anticipos y liquidaciones definitivas, encontrándose disponible en la página web del Ministerio de Hacienda en la Oficina Virtual para la Coordinación Financiera con las Entidades Locales en la dirección electrónica:

<http://www.hacienda.gob.es/es-ES/Areas%20Tematicas/Administracion%20Electronica/OVEELL/Paginas/OVEntidadesLocales.aspx>

Los importes que se transfieren a los Ayuntamientos en concepto de entregas a cuenta de la participación en tributos del Estado, son los resultantes de la aplicación de la legislación vigente, habiéndose cumplido puntualmente las obligaciones de pago, por lo que por este concepto no existen importes pendientes por parte de la Hacienda del Estado con los municipios valencianos.

En cuanto a las subvenciones otorgadas para la financiación del transporte colectivo urbano de viajeros, no existe compromiso de la Administración del Estado pendiente de abonar a los Ayuntamientos.

En cuanto a solicitudes de compensación por pérdida de recaudación en los tributos locales, los Ayuntamientos que se indican a continuación han presentado solicitudes de compensación por pérdida de recaudación en tributos locales que se encuentran actualmente en tramitación:

Ayuntamiento	Importe solicitado	Objeto
ALFAFAR	5.411,82 €	Compensación pérdida de recaudación en cuotas del IBI de Centros Concertados
MISLATA	24.659,54 €	Compensación pérdida de recaudación en cuotas del IBI de Centros Concertados
PICASSENT	23.740,34 €	Compensación pérdida de recaudación en cuotas del IBI de Centros Concertados
TORRENT	65.370,57 €	Compensación pérdida de recaudación en cuotas del IAE de cooperativas agrarias

Por otra parte, del Sistema de Información Contable no resultan obligaciones de pago del Estado con municipios valencianos.

DEUDAS DE LOS MUNICIPIOS DE LA COMUNIDAD VALENCIANA CON EL ESTADO

En la web del Ministerio de Hacienda se publican, con periodicidad mensual, los importes que son retenidos a cada Entidad Local, en la entrega mensual de la Participación en los Tributos del Estado (PTE), por deudas con acreedores públicos y los que se han retenido en total por reintegros de liquidaciones negativas.
